Opening times (IMPORTANT).

We are a cheap, small, family run backpacker hostel (with only 21 beds) in a town which has few visitors outside the summer season. This means that we cannot afford full-time staff and so our opening hours are limited - particularly in Low Season. So please read the following information carefully to avoid disappointment. For these reasons...

**** Every guest must check-in personally, show foreign photo ID and pay in cash during reception ****
Anyone who does not arrive during reception CANNOT stay.

If you are staying several days in Bournemouth and need to check-in later, we suggest that you stay in a guest house for the first night and check in with us the next day. If you arrive before reception opens, you can leave your luggage at the Bournemouth Tourism Office at the Travel Interchange (bus/train station) for GBP 1.00 per bag and have a look around town until we open.
